

Company name: Vela Biotech Private Limited

Product name: Vel Organics

We're Hiring | Field Sales Intern – Organic Manure & Bio-Fertilizers

📍 **Location:** Udumalpet / Coimbatore (Field-based)

🎓 **Qualification:** B.Sc. in Botany, Agriculture or Microbiology

📅 **Experience:** Freshers or 0-1 year (Agri-input / Fertilizer / Rural marketing exposure preferred)

Role Overview

We are looking for motivated sales interns with a science background in botany, agriculture, or microbiology to support sales and market expansion for organic manure, bio-fertilizers, and soil conditioners in the Udumalpet–Coimbatore region. This internship offers hands-on field experience in Agri-sales.

Key Responsibilities

- Drive sales of organic manure & bio-fertilizer products
- Develop and manage dealer & distributor network
- Conduct farmer meetings, field demos, and product trials
- Execute territory-wise marketing and sales plans
- Market intelligence, competitor tracking & reporting

Required Skills

- Strong foundation in Marketing & Sales
- Knowledge of fertilizers / Agri-inputs (organic preferred)
- Excellent communication in Tamil (English working knowledge)
- Willingness for extensive field travel
- Two-wheeler with valid license

Preferred Profile

- Background in botany, agriculture, or microbiology with interest in agri-sales
- Familiar with Udumalpet, Pollachi, Coimbatore rural belt
- Basic dealer & farmer network is a plus

Compensation

- Stipend + performance incentives
- Travel allowance
- Opportunity to convert to full-time role in a fast-growing agri-business

✉ **Interested candidates from Botany, Agriculture, or Microbiology backgrounds can send your CV sales@velabiotech.com**

🔑 **Immediate joiners preferred**
